

Hi xxx,

Congratulations on moving forward in TLC's Personal Therapy Dog Adoption Program! My name is Parishia and I will be working with you on the next step in TLC's Companion Paws process, to schedule your intake session.

Are you available on Saturday, May 15th at 2:30pm MST for your intake call? If another day or time works better for you, please let me know and we can schedule.

Please complete the intake form at the following link, to be completed at least 24 hours before the session.

<https://thelifelinecanadafoundation.z2systems.com/customobjectdata.jsp?&webFormId=1>

Once you click the link, you will click the forgot password button to reset your password using your email address on file as the login email.

It would also be helpful if you could arrange, if possible, for whomever will be living in the house with the therapy dog, to be present for this meeting. It is optional.

Looking forward to hearing back from you,

Parishia Taya
