Introduction to Certified Membership Manager

1. Email Script to introduce Certified Manager to New Certified Member

Hi <<c_First_Name>>,

Hope you are doing wonderfully! I would like to introduce you to our Certification Manager, Marisa Berg. As a certified Companion Paws registrant, Marisa will be your first point of contact for any questions or if you need any guidance or support with the program processes or help with your renewal and re-assessment for your certified designations.

For all your certified inquiries, Marisa can be reached at certified@thelifelinecanada.ca

Your Certification Number

<<c_Certification_Number>>

New Companion Paws Website

We have launched our new Companion Paws website. To view, please click on the following link www.CompanionPaws.ca

Renewals and Re-Assessments

Re-assessments and renewals will take place annually in the months of May and November. For all certified members, you will be required to renew and re-assess in May or November of each year for your registration of your certified designations. You will need to confirm your certified dog's healthy medical records are up to date. Your first re-assessment will take place in the nearest renewal month of May or November during your first year term and then annually on that same month for the remainder of a certified members annual membership.

Memberships

To renew your certification in May or November, you can login to the following link [Members Login](#). The annual renewal fee is \$95 and includes the re-assessment.

Login Username: Your Email Address on File

Login Password: <<c_Website_Password>>

You can also find the Login directly on the Companion Paws website at www.companionpaws.ca/login

Follow-ups

All personal therapy dog certified registrants must complete a Follow-up call within 6 months of certification and registration. Future follow-ups will be completed by email.

Companion Paws Resources Page

The following link is our [Companion Paws Resources Page](#) with all information related to the program process, documents, testing requirements, assessments and evaluations.

Companion Paws Facebook Page

We have a brand new Companion Paws Facebook page! Click the following link [Companion Paws Facebook Page](#) and like the page to keep updated on all aspects of the program. You can share photos of your Companion Paws fur babies.

For any further questions please email Marisa at certified@thelifelinecanada.ca

Please don't hesitate to ask any questions you have, any time.

Looking forward,

Liane Weber
